

Company and Service Overview

FIREGROUP GmbH is a cross media agency with its headquarter in Zurich. Our product range includes design, programming, marketing and consulting services. We are proud to successfully have worked on more than 100 projects with satisfied customers from Switzerland and all over the world. With its attractive economical and fiscal environment Switzerland attracts many international companies. FIREGROUP understands their special needs and is happy to consult and offer all of its services in English as well. Do not hesitate to get in touch with us.
